[Name of Institution] administration

Greetings!

It is with great pleasure that we invite your institution, [school name], to attend this year's IDeA 1, hosted by the Interscholastic Debaters' Association Council and De La Salle Green Hills. In existence for over 20 years, the Interscholastic Debaters' Association (IDeA) is comprised of debate organizations from 27 high school institutions in Metro Manila. IDeA aims to promote excellence in debating and seeks to cultivate this talent among the youth of today. Furthermore, the creation of camaraderie and friendships is given utmost importance. In line with the goal of culminating youth leadership, IDeA operates primarily on student involvement and representation, with guidance and assistance given by the moderators and coaches of the debate organizations.

IDeA 1 is the second invitational tournament of the season. The tournament, separated into two days by the preliminary and break rounds, will cover the British parliamentary format of debate.

The event will be on December 2-3 from 8 am to 6 pm and 8:30 am to 6 pm at the De La Salle Green Hills School. A registration fee of PHP 450 for the participants will be charged to cover the fees for venue, lunch, snacks, IDs, and other services.

For further information, please feel free to contact Martin Mejico at martin.mejico160274@my.lsggh.edu.ph or at +639958907212.

Sincerely,

Martin Mejico
